

MIZORAM POLLUTION CONTROL BOARD

No.H.88088/Poltn/162/2025-MPCB/21

: Dated Aizawl, the 12th February, 2026

CIRCULAR

Subject: Onboarding of Unified Consent & Authorization Management System (UCAMS) – reg.

In pursuance of the ongoing digitalisation initiatives of the Mizoram Pollution Control Board (MPCB) and in order to streamline and enhance transparency in the processing of applications under various environmental legislations, it is hereby notified for information of all concerned that the **Unified Consent & Authorization Management System (UCAMS)**, a pan India portal has been onboarded by the Board with effect from 12th February, 2026 (Thursday) @ 2:00 PM. All applications for;

- i. Consent to Establish (CTE)
- ii. Consent to Operate (CTO)
- iii. Renewal of Consent
- iv. Authorization under applicable Environmental Rules

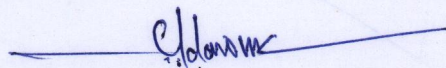

shall be submitted **online only** through the UCAMS portal. Applicants may access the portal and submit their applications through <http://ucams.cpcb.gov.in>.

All industries and activities as specified by the Central Pollution Control Board (CPCB) under the relevant Environmental Acts and Rules, including but not limited to road construction projects, healthcare facilities, furniture & saw mill units, bakery, automobile repairing, steel fabrication units, stone crushers, hot mix plants, institutions and other stakeholders, are hereby advised to register on the designated online portal and submit their applications along with the requisite documents and prescribed fees through the online system only.

The manual/offline submission of applications shall be discontinued from the effective date mentioned above.

For any technical assistance or clarification, applicants may contact the Board office during working hours or refer to the CPCB helpdesk section available on the portal.

This issues with the approval of the Competent Authority.
