Sub: Selling of plastic products in the name of compostable products on the basis of fake certificate. -Reg.

Sir,

It has been reported/observed that the some of the firms are marketing uncertified compostable carry bags in Indian Market. The names of the firms Manufacturing and Selling such types of carry bags/products are given below:

1. M/s. Advance Bio Material Company (P) Ltd, Mumbai,
2. M/s. Adsum Solution Pvt. Ltd, Ahmadabad,
3. M/s. Shri Ram Bioplastic, Kanpur, Uttar Pradesh,
4. M/s. Any Packaging, Greater Noida, Uttar Pradesh,
5. M/s. Symphony Polymers (P) Ltd, Delhi-33,
6. M/s. Biotec Bags (P) Ltd, Chennai,
7. M/s. Biogreen Bangalore
8. M/s. Unigreen, Ahmadabad,
9. M/s. Klean & Green Polybags, Chennai,
10. M/s. Trinity, Plas Tech, Chennai,
11. M/s. Bhavani Plastics, Chennai,
12. M/s. Envigreen, Bangalore,

The abovesaid firms have not been authorised and issued certificate by Central Pollution Control Board as per Rule 4(h) of Plastic Waste Management (PWM) Rules, 2016, therefore resulted into non-compliance of the provisions of PWM Rules, 2016, as amended, 2018. CPCB has issued certificates to eligible Manufacturers/Sellers for Manufacturing & Selling its producers in Indian Market. The list of Certified Manufacturers/Sellers is available on the CPCB's website (www.cpcb.nic.in).

I am directed to inform to take appropriate action against the violators/defaulters of the provisions of PWM Rules, notified in 2016, as amended, 2018 U/s "5 & 15" of Environmental Protection Act, 1986.

The Action Taken Report (ATR) may be submitted to this office urgently on or before **20.01.2019**.

Yours faithfully,

(Dr. S.K. Nigam)

Additional Director & I/c UPC-II
