

CRAFTING COMPETITION:

With an aim to create awareness on plastic pollution and impart the importance of practicing the four R's of waste management: Reduce, Reuse and Recycling and Recovery among the students, a Crafting Competition was held for Eco-Clubs within the State under the sponsorship of the Centre for Environment Protection, Ahmedabad as part of observation of World Environment Day, 2018. Students were invited to make stuff from used plastic materials at their own places and submit the same to the office of Mizoram Pollution Control Board during the month of May, 2018. 62 items were received from 42 students and judged by staff of the Mizoram Pollution Control Board through secret ballot. The top three positions carry a cash prize of Rs 3000, 2000 and 1000 with certificates. Participation certificates were also made for all the participating students. Result of the competition was declared and the prize winners were awarded at the function held on the day of the WED. The participation certificates were also awarded to the Teacher- In-charge of the participating School.

The crafts were also displayed at the venue of the function held on the WED, 2018 and the cash prizes were sponsored by the Centre for Environment Protection.
