

WORDL OZONE DAY, 2018
THEME ‘ Keep Cool And Carry On ! The Montreal Protocol’

Mizoram ENVIS Hub as part of observation of World Ozone Day, 2018 organized Poster Making Competition for Eco-clubs within the state wherein all the eco-clubs were instructed to organize Poster Making Competition at their respective schools/colleges and forward the best 3 entries to the Mizoram ENVIS Hub for their final evaluation. Besides observing the World Ozone Day, the competition was organized with the aim of creating awareness on global warming and ozone depletion and creating a sustainable environment among the students.

The competition was categorized into two groups as **Category I:** Primary School and Middle School Level and **Category II:** From High School to College Level. A total of 42 and 32 posters under Category I and Category II were received respectively.

Winners under both categories were awarded as under:-

Category	1st Prize (In Rs.)	2nd Prize (In Rs.)	3rd Prize (In Rs.)
I: Primary School & Middle School Level	5,000+ Certificate	3,000+ Certificate	2,000+ Certificate
II: High School, Higher Secondary School & College Level	5,000+ Certificate	3,000+ Certificate	2,000+ Certificate

Besides the top 3 winners, two consolation prizes were also given under both categories.
